

## INDEX TO VOLUME VI

Book reviews are grouped together and are indexed under that heading in alphabetical order.

## A

- Abscess, pulmonary: See Jackson  
suprahepatic: See Lehman  
Acute intestinal obstruction; A comparative study of three series totaling 715 cases, 109  
Acute phlegmonous and non-traumatic perforative lesions of the colon. Report of three cases with intraperitoneal hemorrhage in one, 449  
American Board of Surgery, 495  
Anderson County Hospital: See Young  
Anemias of pregnancy; A review and report of a case of the macrocytic type with purpuric manifestations and malaria, 458  
Appendicitis: See Young  
Archer, V. W.: See Lehman

## B

- Babcock, W. W.: Improvements in the operative treatment of intestinal carcinoma, 267  
Barnett, C. F.: Gastrosocopy in surgery, 502  
Benign tumors of the breast, 156  
Benign tumors that destroy the patient, 319  
Besley, F. A.: The evolution and progress of traumatic surgery and industrial medicine, 336  
Bird, C. E.: Preoperative use of protamine zinc insulinate in a case of exophthalmic goiter with diabetes mellitus, 440  
Blackburn, J. H.: Micrococcus tetragenus as a surgical complication, 422  
Bodley, J. W.: Cholelithiasis, 126  
Boland, F. K.: The South's contributions to gynecology, 253  
Bone pins: See Dozier

## BOOK REVIEWS:

- Abortion, spontaneous and induced: Medical and social aspects, F. J. Taussig, 78  
Art of ministering to the sick, R. C. Cabot and R. L. Dicks, 506  
Bright's disease and arterial hypertension, W. J. Stone, 177  
Christian R. Holmes, man and physician, M. Fischer, 265  
Clinical roentgenology of the cardiovascular system, H. Roessler, 176  
Collected papers of the Mayo Clinic and the Mayo Foundation, Vol. 28, 1936, Ed. by R. M. Hewitt, L. G. Potter, and A. B. Nevling, 347  
The colon as a health regulator, H. W. M. Gray, 178  
Diseases of the coronary arteries and cardiac pain. Ed. by R. L. Levy, 177  
Diseases of infants and children, J. P. C. Griffith and A. G. Mitchell, 177  
Dr. Bodo Otto and the medical background of the American Revolution, J. E. Gibson, 349

Diseases of the blood and atlas of hematology, R. R. Kracke and H. E. Garver, 506

- Essentials of electrocardiography, Richard Ashman, 178  
Eugenical sterilization, a reorientation of the problem, A. Myerson, et al., 79  
Fischerisms, being a sheaf of sundry and divers utterances culled from the lectures of Martin H. Fischer, Howard Fabing, 349  
Fundamentals of electrocardiographic interpretation, J. B. Carter, 176  
Handbook of orthopaedic surgery, A. R. Shands, Jr., 266  
Heart disease, P. D. White, 176  
Inhalation anesthesia, A. E. Guedel, 176  
Intellectual function of the frontal lobes, a study based upon observation of a man after partial bilateral lobectomy, R. M. Brickner, 81  
Laboratory outline in filterable viruses, R. R. Hyde, 178  
The larynx and its diseases, Chevalier Jackson and C. L. Jackson, 347  
The lung, W. S. Miller, 81  
Management of fractures, dislocations and sprains, J. A. Key and H. E. Conwell, 80  
The management of obstetric difficulties, P. Titus, 264  
Medical morals and manners, H. A. Royster, 265  
Medical urology, I. S. Koll, 348  
Modern urology in original contributions by American authors, ed. by Hugh Cabot, 78  
Obstetrics for nurses, J. D. DeLee and M. C. Carmon, 434  
Operative surgery, J. S. Horsley and I. A. Bigger, 175  
Ophthalmoscopy, retinoscopy, and retraction with new chapter on orthoptics, W. A. Fisher, 350  
Pediatric urology, M. F. Campbell, 431  
Physical diagnosis, R. H. Major, 179, 350  
Preoperative and postoperative treatment, R. L. Mason, 266  
Senile cataract, methods of operating, W. A. Fisher, 350  
Surgical anatomy, Grant Massie, 349  
Surgical treatment. A practical treatise on the therapy of surgical diseases, J. P. Warbasse and C. M. Smyth, Jr., 437  
Synopsis of pediatrics, John Zahorsky, 350  
Textbook of medicine, R. L. Cecil, 507  
Therapeutic problem in bowel obstructions, O. H. Wangenstein, 505  
The thyroid and its diseases, J. H. Means, 263  
Tissue immunity, R. L. Kahn, 81  
Treatment in psychiatry, Oskar Diethelm, 179  
Bowel tumors: See Babcock, Jelks, Rankin

Warbasse and C. M. Smyth, Jr., 437

Synopsis of pediatrics, John Zahorsky, 350

Textbook of medicine, R. L. Cecil, 507

Therapeutic problem in bowel obstructions, O. H. Wangenstein, 505

The thyroid and its diseases, J. H. Means, 263

Tissue immunity, R. L. Kahn, 81

Treatment in psychiatry, Oskar Diethelm, 179

Bowel tumors: See Babcock, Jelks, Rankin

Boyce, F. F., and McPetridge, E. M.: Acute intestinal obstruction. A comparative study of three series totaling 715 cases, 109

Breast: See Newell, Horsley, Rawls

Brenizer, A. G.: Urinary tract disturbances in general abdominal surgery, 405

Brown, S. T.: Sulfanilamide in urology, 481

Bunch, G. H.: Acute phlegmonous and non-traumatic perforative lesions of the colon; Report of three cases with intraperitoneal hemorrhage complicating one, 449

## C

Carcinoma: See Babcock, Horsley, Jelks, Rawls

Charlotte Assembly, 180

Chest, surgical conditions of: See Lyday

Cholelithiasis, 126

Chorionepithelioma, 104

Clinical study of 2,288 cases of appendicitis at the Anderson County Hospital, 1923-1934 inclusive, 131

Colon: See Bunch

Common surgical conditions of the chest with case reports, 138

Complications of gallbladder disease: See Heyd, Meeker

Concepts of breast tumors: See Rawls

Contraindications for splenectomy: See Upham

Contributions to gynecology: See Boland

Conwell, H. E., and Sherrill, J. D.: Internal fixation of fractures (intracapsular) of the neck of the femur, 194

Counter traction: See Dozier

Craig, W. McK.: Surgical treatment of painful syndromes of the head and neck, 245

Crossed wires: See Stuck

Cyst, cholelithiasis: See Bodley

## D

Diabetes mellitus: See Bird

Diagnosis of gastro-intestinal cancer: See Jelks

Diagnosis and treatment of malignant tumors of the breast, 375

Diagnosis and treatment of surgical diseases: See Donald

Dicks, J. W. D.: Surgical judgment, 427

Digestive disturbances: See Vinson

Direct surgical attack on duodenal ulcer, 164

Donald, J. M.: Evaluating the functional element in the diagnosis and treatment of surgical diseases, 288

Dozier, H. C.: Inexpensive "traction irons," for well leg counter traction, without use of bone pins, 293

Duodenal ulcer: See Engel, Gage, Rankin

## E

Early diagnosis of gastro-intestinal cancer: See Jelks

Ectopic pregnancy: See Litzenberg

## EDITORIALS:

American Board of Surgery, 495

Charlotte Assembly, 180

Electrosurgery, 501

Evolution and progress of traumatic surgery and industrial medicine, F. A. Besley, 336

Exhibits, 504

Gastroscopy in surgery, 502

Mechanical embarrassment of the heart, 173

On to Louisville, 76

The South's contributions to gynecology, F. K. Boland, 253

Surgical judgment, J. W. D. Dicks, 427

Volume VI, 75

Endocrine basis of gynecologic organotherapy, 237

Endometriosis of the umbilicus, 363

Engel, G. C.: Gastro-enterostomy vs. polya operation in duodenal ulcer, 231

Epilepsy: Discussion of surgical and non-surgical treatment, 485

Esophagus: See Vinson

Evaluation of excretory urography, 15

Evaluating the functional element in the diagnosis and treatment of surgical diseases, 288

Evolution and progress of traumatic surgery and industrial medicine, 336

Excretory urography: See Reaves

Exophthalmic goiter: See Bird

## F

Fallacies: See Litzenberg

Femur: See Conwell

Fibroid tumors of the uterus; A review of 1,025 cases treated by hysterectomy or radium, 351

Fibroma of the ovary, 146

Fincher, E. F., Jr.: Osteomyelitis of the skull, 53

Fixation of fractures of the neck of the femur: See Conwell

Fractures: See Stuck, Conwell

Functional element in the diagnosis and treatment of surgical disease: See Donald

Further discussion of the supraumbilical transverse incision, 365

## G

Gage, Mims: The surgical treatment of peptic ulceration, 392

Gallbladder disease: See Meeker

Gallbladder surgery: See Heyd, Meeker

Gastro-enterostomy vs. polya operation in duodenal ulcer, 231

Gastro-intestinal cancer: See Jelks

Gastroscopy in surgery, 502

Gaul, J. S.: Problems in osteomyelitis, 275

Gay, J. G.: Mechanical embarrassment of the heart, 173

Goiter: See Bird, Prioleau

Grimes, A. E.: See Rankin

Gynecologic organotherapy: See Novak

## H

Haggard, W. D.: Fibroid tumors of the uterus; A review of 1,025 cases treated by hysterectomy or radium, 351

Harris, Seale: James Marion Sims: The father of modern gynecology, 35
